

Figura

```
graph BT; Circulo --> Figura; Cuadrado --> Figura; Triangulo --> Figura;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Figura'. Below it, three boxes labeled 'Circulo', 'Cuadrado', and 'Triangulo' are arranged horizontally. A horizontal line connects the top of these three boxes, and a vertical arrow points upwards from the center of this line to the bottom of the 'Figura' box, indicating that 'Circulo', 'Cuadrado', and 'Triangulo' are subclasses of 'Figura'.
